## Hiwassee Is . . .

Editor:

Carole Perkins

Advisor:

Delmus Ledford

Like the golden ray of a sunbeam  
Making the darkness bright,  
The maroon cloak of friendship  
Hovers over you day and night.  
Like the Eternal Hand which guides you  
And sets aright your days.

## The Spirit of Hiwassee

Will invade your heart always.

# A Spirit Of Friendliness

Hiwassee is friendliness. It is a place where you know you can always find a friend. Where each day you know you will be greeted by a warm smile. Friendliness is the student center; the laughter and warmth seem to draw people in. It's where you receive the news from the outside world and you're glad you're among friends. Friendliness is the gym where we all feel as one, backing one main goal and one main purpose. Friendliness is the Administration Building. It is a place where you receive a warm welcome from everyone you come in contact with. Friendliness is standing in line. Most of all, Friendliness is what you make it. The effort you put forth is what you will receive in return.

## A Spirit Of Reverence

Reverence is an important part of life, whether it is reverence to one's ideals or reverence in connection with worship. Reverence is communicated between the students at Hiwassee when they participate in "required chapel" as well as dorm devotions, and through voluntary worship at the Wednesday evening service of the Christian Student Movement. Reverence is not only shared by the students as they participate in the worship, but also in the deep respect that students show for each other in the everyday life on campus. Reverence is also experienced while quietly sitting under a tree in the spring, or participating in a group. Reverence is a deeply rooted part in the tradition of Hiwassee, a tradition felt by all the students.

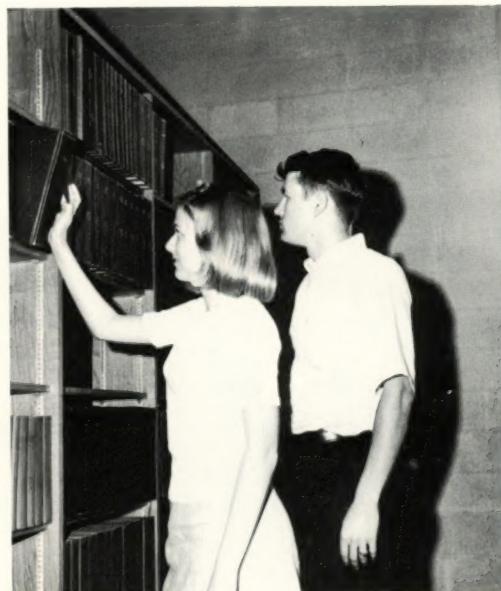

# A Spirit Of Academic Achievement

Since Hiwassee is a junior college, it is the basis for further education. It prepares students for further study in senior institutions and provides vocational and academic training in a two-year terminal curricula. Upon graduation from Hiwassee, a student may choose between advancing to a higher academic level or embarking upon a career.

Hiwassee encourages academic achievement through its organizations, student-faculty relationship, awards, and financial aid. Each of these emphasize the value of scholastic achievement.

Membership in Hiwassee's organizations require a certain grade point average. Such clubs as the Civitans, Civinettes, and APO require a 2.00 average. Phi Theta Kappa, a national honor fraternity especially emphasizes scholarly achievement. Even the athletic department requires that a student maintains a certain average for participation in sports.

With the availability of so many advantages Hiwassee has evolved, through experience, into one of the highest ranked junior colleges in the south. With this in mind students at Hiwassee naturally take pride in all they attempt.

## A Spirit

Accomplishment, a big word which expresses how one feels about success in ones college life here at Hiwassee. Accomplishments are the little things that one attempts and completes; it is seeing new buildings being completed on Hiwassee campus.

At Hiwassee, a student has many opportunities for accomplishment. This is seen in the classroom or outside of class. For example, a term paper or a difficult experiment in one of the major fields of science. Also, the ability to live in a dorm, to make new friends, and to achieve a 2.00 average.

The feeling of accomplishment justifies all the work, and perhaps the failure that precedes eventual perfection.

# Of Accomplishment

## A Spirit Of Co-operation

Co-operation is very important in achieving the goals at Hiwassee College. Co-operation consists of friendliness, academic achievement, and sports.

The pleasant atmosphere created when students work together on a project, homework, or an extracurricular activity is the result of co-operation. The relationship between the teachers and the students of this campus was not accidental, for it took time, patience, and the ability to work together. Without the co-operation between the coaches and the teams of the various sports, we couldn't participate in the regional and conference games.

Through co-operation, students at Hiwassee are achieving a better understanding of how to work with their fellowman.

## A Spirit

## In The Field Of Sports

The Spirit of Sports is one of fair play, loyalty and good sportsmanship. The Spirit can be a comfort when we lose and is a "tiger" when excitement breaks out. A spirit like ours is composed of the intramurals, both girls and boys, varsity teams, and enthusiastic fans. The girls are busy with knocking that old ball over the net. Boys are busy with shooting the ball through the hoop or a long, long pass to the running end. The Spirit can even be at bat trying to find the fast ball. It is undoubtedly fun and we are grateful.

We Believe  
In The  
Hiwassee Spirit  
We Live It . . .  
We Love It . . .  
May It Never Die.

## Dedicated To Nick E. Menacof

In appreciation of his loyalty and his determination to keep Hiwassee in the sports headlight, we on the annual staff are proud to dedicate this year-book to Coach Nick E. Menacof. For three years, Coach Menacof has been an inspiration to the boys and girls on campus. This inspiration and devotion has been a deciding factor in the winning seasons that Hiwassee has had in basketball.

On behalf of the student body, we would like to thank you for being a leader and a friend.

## In Honor Of Lebron Bell

Coach LeBron Bell has been an untiring worker for the students and the baseball team at Hiwassee. We wish for you prosperity and happiness in the years to come.

## President's Foreword

"Hiwassee 1968", by picture and word, gives us a glimpse of how we have invested our lives during this year.

Within these pages you will find many personalities that make up the "Hiwassee family." The new buildings which are shown are important, but the living, studying, working, worshipping, eating, playing and many other activities within these walls make the real Hiwassee. These experiences together will make for a better life in the future as we find our place of "service" to mankind.
